

Minutes and agenda packets for meetings of the Board of Commissioners are available to search online. In most cases, meeting material available for research is as current as the most recently approved set of Board meeting minutes. There is also an option to print the documents.

Documents and recordings for current fiscal year meetings are also available on the Regular Meetings and Special Meetings/Work Sessions pages accordingly.

If you need assistance with your research, please call the Clerk's office at 910-947-6403. To search minutes and associated documents from meetings of the Moore County Board of Commissioners, [CLICK HERE](#).
